## Wolf Creek Public Schools Creating Success For All Learners Chromebook Parent Purchase Program

Wolf Creek Public Schools is pleased to be working with BCom Computer to provide an option for our families to purchase a Chromebook that can be used to support their students' learning in Wolf Creek.

In partnership with Wolf Creek Public Schools, BCom Computer has built a section of their online store specifically for Wolf Creek parents and students. This website can be accessed by navigating to the following address:

## , www.b-com.ca/wolfcreek/

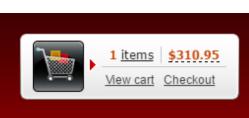

3. In order to be granted access to the Wolf Creek specific section of this website you will need to enter the following case sensitive code into the School Access Code window:

## School Access Code

School Access Code \* Success4all!

Success4all!

We ask that our Wolf Creek families keep this access code confidential as it pertains specifically to a program designed for Wolf Creek students. As per our agreement with BCom we are not able to extend the Parent Purchase Program to families who are not members of the Wolf Creek Public Schools community.

correct student.
