

Welcome Back from your Board of Trustees

The beginning of a new school year is always exciting! The Wolf Creek Board of Education would like to welcome all staff and students back to school for the 2014 – 2015 school year.

We are proud of the excellent learning environments in Wolf Creek Public Schools which ‘Creates Success for All Learners’.

Supportive parents make such a difference and we look forward to seeing you at School Council meetings and school events.

Please check out our website at www.wolfcreek.ab.ca and the ‘Back to School’ flyer for information about our jurisdiction.
