Dear Parents,

Let's keep the kids reading this summer! Just have a valid library card and register your children for the TD Summer Reading Program Club 2020. This program will help maintain and develop reading skills and provide an opportunity to meet new friends! Invite your friends, family, and neighbours to join in the fun!

Our TD Summer Reading Club theme for this year is '**Check this Out!**' The action begins on July 4th at the Blackfalds Public Library with. Registration begins on June 29<sup>th</sup>. However, you will be able to register your child throughout the summer. The goal is to read at least fifteen minutes a day. Adults can also join in the excitement. Track your minutes and win prizes. Come in anytime to record your minutes or to join in the activities. There is always something fun to do! We have story time, crafts, games and special guests throughout the summer.

We appreciate your help in making our summer reading program a success. We are going to have a great summer!

Your Blackfalds' Public Library.
